California Real Estate Practice - Walt Huber

Summary: Covers all material in Real Estate Practice classes with special emphasis on California real estate procedures. Written in very clear and simple language, easy-to-read format with photographs, charts, and graphs. Includes glossary and index. Suitable for students, salespeople, brokers, and teachers seeking information about the practice of real estate in the day-to-day operations of a real estate brokerage. This textbook is designed to fulfill the course requirement necessary to take the California Real Estate Salesperson and Broker Exams, including a chapter on Fair Housing and a chapter on Biases (including Implicit Bias).

1. Real estate business - California
2. Real property - California

This publication is designed to provide accurate and authoritative information in regard to the subject matter covered. It is sold with the understanding that the publisher is not engaged in rendering legal or other professional services. If legal or other expert assistance is required, the services of a competent professional person should be sought. All advice is given as purely anecdotal, and reflects the opinions and experiences of the authors, but is not held out as standard operating procedure. Practice varies throughout the state and brokerage by brokerage.
